Parental/Family Engagement	<p>Please describe your parental/family engagement plan briefly (i.e. dates or frequency of parent events, P/T conferences, PTA meetings, etc.): At Glendale Acres we start our school year off with a Back to School Fair for the parents and students to experience a positive school atmosphere, learn about the many volunteer opportunities parents and students have an opportunity to become familiar with their classroom and teacher. Throughout the school year we have scheduled four general PTA meetings with the first PTA being a Curriculum Night and Title I Updates.</p> <p>Although P/T Conferences are held throughout the year, we have scheduled conferences in November and in February. Our conferences are Parent/Teacher/Student Conferences.</p> <p>Our Tutoring Program is a result of working collaboratively with the PTA to set up specific volunteers to tutor at-risk students.</p> <p>In March we have T.A.C.O. Curriculum Night (Together Achieving Curriculum Objectives) for the entire family to enjoy. Glendale has also teamed with Ashley Elementary to combine parent/student/faculty nights at local businesses to become acquainted with one another and help raise monies for the schools.</p>	
Safe and Orderly schools	<p>The Cumberland County School System (CCS) has a commitment to excellence in providing a safe and healthy workplace. Safety of employees and students must be given first priority in every activity. To that end, all our employees have access to our district Safety Manual and Crisis Management Handbook on the CCS intranet. The Safety Manual is provided to help schools insure their day to day practices are in line with best safety practices, prepare for events that can be better managed with a safety plan, and outline protocols for handling potentially hazardous materials in our schools. Although a crisis is an event that is extraordinary and cannot be predicted, the Crisis Management Handbook was prepared to provide the principal and the local crisis team a quick reference guide of procedures to follow when a crisis occurs that affects the school.</p>	

<p>Review of the SIP plan and notification of changes</p>	<p>As a part of our continuous improvement process, all schools create 2 year School Improvement plans. At the end of the first year of the plan and once test scores are received, the School Improvement Team will review both academic and organizational goals and make changes as needed. The superintendent's designee will be informed when the plan has been changed.</p>
