

In the best interest of all children in our district and to provide consistency across the county, we plan to adjust our bell time for the 2019-2020 school year. Currently, our Max Abbott Middle School students are not on the same bell schedule as the other 14 middle schools in the county and therefore miss valuable instructional time each week because of extracurricular activity schedules. This can be fixed with an adjustment of bell times. Additionally, a change in bell times can better accommodate paired elementary schools with a staggered start and dismissal time. This will allow siblings to ride on the same bus and decrease transportation issues for parents. We believe that this change will be fair and equitable for **ALL students** in Cumberland County.

**Proposed Bell Times 2019-2020:**

**Glendale Acres**
